

Beat Meningitis B

Gators, let's fight the fight!

Get vaccinated to Beat Meningitis B.

Meningitis B

31 cases on college campuses over
the past decade

30-40% risk of death, brain
damage or amputations

Two vaccines necessary to be fully
protected; less than 5% of UF
students have the recommended
Meningitis B vaccine

Campus-wide vaccination
Wednesday, October 2nd, 2019
